AI Meteorological Health & Lifestyle Advisory

Advisory Category	Assessment	Recommended Action
Wardrobe & Clothing	Comfortable Light Layers (Pleasant & Mild)	Cotton t-shirt, breathable shirt or blouse. Keep a light cardigan or overshirt handy for cooler evening breezes.
Umbrella & Precipitation	Isolated Showers Possible	Occasional light showers or passing clouds possible. Keeping a small folding umbrella in your bag is sensible.
UV & Solar Safety	Very High / Extreme Solar Radiation	Severe risk of skin and eye damage. Apply broad-spectrum SPF 50+ sunscreen every 2 hours, wear UV-blocking sunglasses, and seek shade between 11 AM - 3 PM.
Hydration Goal	Target: 2.0 - 2.5 Liters	Maintain regular fluid intake throughout the day with clean water and herbal teas.
Outdoor Workout	Optimal Conditions	Morning or Early Evening - Weather conditions are fantastic for jogging, cycling, yoga, and outdoor sports.
Commute & Travel	Smooth Commute	Roads and transit routes are clear with normal visibility and dry conditions.
